LINTHICUM, MARYLAND — The CDCA-WREB-CITA, the ADEX dental and dental hygiene licensure examination provider, announced honorees' names for several prestigious awards earlier this month at its 2023 Annual Meeting in Grapevine, Texas.

Honored at the Texas event were two distinguished members who receiving the distinguished Champagne-Low Award recognizing those "whose outstanding efforts embody our values of service, dedication, and integrity."

Champagne-Low awardees this year are Dr. Dale Chamberlain (Montana) and Dr. Ronald Moser (Maryland) (see photograph, attached, Moser left, Chamberlain, right). Awards Committee Chair Dr. David Perkins noted, "The 2023 honorees have contributed to our mission in so many meaningful ways and truly represent the ideals and commitment exemplified by Drs. Guy Champagne and David Low."

Along with his many years as an examiner, Dr. Chamberlain previously held the role of President of WREB playing an important role in initiating conversations that ultimately led to a merger and a nationally portable licensure exam administered throughout the United States.

Dr. Moser has impacted the organization in so many ways, but especially during his significant leadership tenure for the Examiner Assignment Committee. "No one works harder to help the CDCA-WREB-CITA meet its goal. It is a never-ending, thankless job."

Also, more than 30 examiners received special recognition for notable years of service achieving Dr. William Collins' Meritorious Years of Service Awards.
